# Hawkins | Marine

Leaders in forensic investigation

## When Things Go Wrong at Sea...

Providing forensic engineering, investigation and expert witness services for incidents relating to all aspects of the shipping and marine industries.

# What we do

Our team of forensic scientists and engineers can advise, investigate and assist at any stage of a marine incident, as well as provide ongoing support and guidance for the future.

We support our clients throughout the investigation process, including travelling at short notice.

## PRE-FAILURE RISK MANAGEMENT

Guidance on design, installation, and regulations to ensure safety, compliance, and risk reduction.

## ROOT CAUSE ANALYSIS

Scientific investigation into all aspects of an incident to determine what happened, why and in what sequence.

## EXPERT WITNESS SERVICES

Independent and impartial technical advice, including quantum & delay services to assist Counsel during all aspects of litigation.

## POST-FAILURE ADVICE

Consultancy advice to reduce, mitigate and prevent risks associated with similar events happening in the future.

## MAJOR & COMPLEX LOSS

Global resources and multidisciplinary teams, armed with the knowledge, equipment and facilities to manage and investigate major and complex incidents.

# We Investigate...
